

Bring your leadership and adult education experience in clinical oncology to Vancouver BC

Exciting opportunities at BC Cancer Agency for:

- **Regional Professional Practice Leader**
- **Education Resource Nurse**

The BC Cancer Agency (BCCA) is committed to reducing the incidence of cancer, reducing the mortality from cancer, and improving the quality of life of those living with cancer. It provides a comprehensive cancer control program for the people of British Columbia by working with community partners to deliver a range of cancer services, including prevention, early detection, diagnosis and treatment, research, education, supportive care, rehabilitation and palliative care. It operates five regional cancer centres in Surrey, Kelowna, Vancouver, Vancouver Island, and Abbotsford, with a sixth centre scheduled to open in Prince George in 2012. The BC Cancer Agency's Research Centre conducts research into the causes and cures for cancer.

The BCCA is an agency of the Provincial Health Services Authority (PHSA), which plans, manages and evaluates selected specialty and province-wide health care services across BC. PHSA embodies values that reflect a commitment to excellence. These include: **Patients first • Best value • Results matter • Excellence through knowledge • Open to possibilities.**

**Regional Professional Practice Leader, Nursing
BC Cancer Agency - Nursing Cancer Care
Vancouver Centre
Regular Full-time
Competition #10169**

Acting as a provincial resource and integral member of the interdisciplinary team for the BCCA and in the community, you will work with leaders and the community to plan, direct and evaluate nursing professional practice for patients and families with responsibility for nursing cancer care in British Columbia. Your level of education, training, and experience is equivalent to a Master's degree in Nursing and you have at least five years of clinical and nursing research experience in the field of cancer care and five years in a leadership role. Demonstrated skills as a program developer, scholar and advanced practitioner, with excellent verbal and written communication skills, critical thinking skills and the ability to demonstrate clinical judgment, will ensure you success.

**Education Resource Nurse
BC Cancer Agency - Fraser Valley Centre, Surrey BC
Regular Part Time .5 fte
Competition #10025**

You will take charge of the development, implementation, delivery and evaluation of core educational programs for nursing staff at both cancer centres and community oncology centres. This role will see you collaborate with the Directors of Clinical Operations, Assessment Module Leaders, Clinical Nursing Leaders, Charge Nurses and community nursing leaders to ensure that the educational needs of nursing staff

are met. A Registered Nurse with the College of Registered Nurses of British Columbia (CRNBC), you hold a Bachelor of Science degree in Nursing, and bring to this role three years of recent experience in oncology nursing, or have an equivalent combination of education and experience. Demonstrated leadership skills, including the ability to coach, mentor and motivate, are essential to success in this role. You also have adult education experience, excellent communication skills and demonstrate clinical expertise.
